

## SAVE THE DATE!

### i-SERVE WORK DATE

*Neighbors in Christ Parish*  
*"We love because God first loved us."*

*Weekend*

#### ***i-Serve...My Neighbors (Saturday, September 16th)***

Saturday will be our day to do service projects for individuals and for organizations around our communities. We will gather at Galva First United Methodist Church in Epworth Hall at 7:30am. Come with helpful hands, leave with a glad heart! We will be looking for projects we can do in Galva and Bishop Hill, and looking for volunteers to help, either in the mission field or in preparing the meal. Keep an eye out for future announcements about the i-Serve meetings as we get ready to serve our community in this way.

#### ***HOW CAN I BE SERVED?***

We will accept applications for projects through August 15th, 2023. Application forms will be available at both banks, local churches, library, city hall, laundromat, senior center, Galva and Bishop Hill post offices, area restaurants, and the Lincoln House. Applications will be reviewed by the i-Serve committee on August 22th, Tuesday, and if your application is selected, you will then be contacted by a committee member.
